

Sept. 18 1942

The Principal
Liggett School
Akron Ohio

Dear Sir:

I am writing you in an effort to assist an employee of mine, who is very anxious to secure his birth certificate.

He graduated from your school January 29th, 1932. He has brought me his diploma, and his certificate of award for perfect attendance, signed by L.C. Noakes, Principal, and Thomas W. Gosling, Supt. of Schools.

If you will send me the information when he entered the school, I believe it will go a long way toward helping to establish whether or not he is an American citizen. He was born in La Grange Ga. in 1918, and there are no records of any kind of his birth.

I will greatly appreciate your cooperation in this matter, as he is very anxious to go to work in one of the defence plants in this locality, and we are so sorely in need of men.

Thanking you in advance for any help you can give,

Very Truly Yours
